

NATIONAL CONFERENCE ON DATA & COMPUTING (NCDC-2024)

CERTIFICATE OF RECOGNITION

PROUDLY PRESENTED TO

SHREESH BHATTARAI

for presenting a paper entitled

Visibility Graph based study on Stock Price Fluctuation

at **National Conference on Data and Computing (NCDC-2024)**

organized by Department of Mathematics, Kathmandu University in collaboration with
Kathmandu University Computational Mathematics Club, held at Kathmandu University,
Dhulikhel, Nepal on October 4 & 5, 2024.

Prof. Dr. Rabindra Kayastha
Head Of Department
Department of Mathematics
Kathmandu University

Dr. Gokul KC
Convener, NCDC-2024
Associate Professor
Department of Mathematics
Kathmandu University

22 September, 2024

To,
Shreesh Bhattarai,
Kathmandu University,
Dhulikhel, Nepal.

Subject: Acceptance of Abstract for the National Conference on Data & Computing (NCDC 2024).

Dear Sir,

We are writing to formally inform you that your abstract entitled **"Visibility Graph Based Study On Stock Price Fluctuation"** has been thoroughly reviewed and accepted for presentation at the **National Conference on Data & Computing (NCDC 2024)**. The conference will be held on **October 4 & 5, 2024 (Asoj 18 & 19, 2081)** at **Kathmandu University, Dhulikhel, Kavre, Nepal**.

The scientific committee has thoroughly evaluated your submission, and we are confident that your work will make a significant contribution to the success of the conference. Your research aligns well with the key themes of NCDC 2024, which covers critical areas such as **Mathematics, Computing, Data Science, and Statistics**, and we are honored to have you share your insights with fellow academicians, professionals, and thought leaders in the field.

Once again, we congratulate you on your successful submission. We look forward to your active participation in NCDC 2024 and to the valuable contributions your work will bring to the conference.

With best regards,

Dr. Gokul K.C.
Convener, NCDC 2024
Associate Professor, DoM, SoS, KU
Acting Director, SWD, KU
